

A NEW WAY
TO ENJOY
WINE.

We are The Wine Club, a celebration of the good life. We were born from friendship and a passion for sharing real moments: long tables, genuine laughter, and bottles of wine opened to be savored. We believe that wine doesn't need complications; just a desire to experience it, curiosity, and good company.

In each catalog, we create Wine Packs, selecting wines that inspire and complement different moments, tastes, and budgets. You choose the plan, and we'll deliver it to your door. We want to help you discover wine your way, without rigid rules, just with the desire to enjoy, learn, and make each glass a reminder that life tastes better when shared.

Wine Club. Wine Life.
